POSITIONING

Mission-aligned solutions for the public sector.

Nine46 Consulting is a results-driven consulting firm specializing in government contracting support, IT solutions, and strategic business advisory services. We partner with federal, state, and local agencies—as well as small businesses—to deliver efficient, compliant, and mission-aligned solutions, combining technical expertise, program management discipline, and deep knowledge of government acquisition processes.

CORE COMPETENCIES

01 Government Contracting Consulting

- Proposal development and management
- Capture strategy and opportunity identification
- Compliance reviews with FAR/DFARS alignment
- Contract administration support

02 Information Technology Services

- Custom software development
- Systems integration and implementation
- IT modernization and digital transformation
- Cybersecurity support and risk assessment

03 Management & Business Consulting

- Organizational development and process improvement
- Program/project management (Agile and Waterfall)
- Strategic planning and performance optimization
- Change management and workforce transformation

04 Human Capital & Training Solutions

- Workforce planning and talent strategy
- Leadership development programs
- Training design and delivery
- Diversity, equity, and inclusion consulting

DIFFERENTIATORS

- **Procurement fluency**
  Deep understanding of the full federal procurement lifecycle.
- **Mission-aligned technology**
  Technical solutions aligned with mission outcomes.
- **Scalable support**
  Agile, client-focused support that scales on demand.
- **Measurable compliance**
  Emphasis on compliance, efficiency, and measurable results.
- **Small-business lift**
  Support for small businesses and underrepresented entrepreneurs.
